Looking for a new challenge?

New school - unique opportunity

This is an exciting opportunity to be part of a dynamic team and shape the future success of Grove Academy and its children. In fact, there couldn't be a better time to join the team than now - as we look forward to increasing our pupil numbers and moving into our brand new building in December 2020.

At Grove, we are passionate about our children, teaching and learning and developing our staff. We are a growing school and as such an expanding team, we are therefore looking to appoint a talented professional to join our hard-working, motivated primary department. The ideal candidate will have a passion for working with children and they will enjoy working within a year group team to support the class teachers in providing a high quality education for our children.

What can we offer you?

- Amazing children who are respectful, engage with their learning and appreciate the work that we do with them
- An exciting place to work where you will feel valued for all your hard work
- A wonderfully welcoming and supportive team with an approachable and supportive leader
- Relevant CPD to further develop your knowledge and skills and support where needed to achieve your best
- A forward thinking school where new ideas are welcomed and encouraged

We are looking for someone who:

- is a dynamic and passionate practitioner with high standards who leads by example

- is able to develop a strong partnership with the class teacher with a focus on promoting development and progress
- recognises the importance of children's mental health and well-being
- thrives when working as part of a team but also embraces working independently
- is both dedicated and excited about supporting our children to reach their potential
- is interested in having a positive impact on the life chances of children in our local area

About Us:

Grove Academy is a new and expanding free school which opened in September 2017 and is the first all-through school to open in Slough. We initially opened with Reception, Years 1, 2, 3 and 7 on a temporary site in the Centre of Slough and are looking forward to moving to our new building later this year. Grove Academy is the second school opened by The SASH Education Trust (Slough Association of Secondary Head teachers) and we benefit enormously from the support and collaboration of the 14 secondary Head teachers in Slough.
